**AUTHORITY FROM GOD**

According to Moses, the people decided they didn't want to hear God's voice directly any more. It was much too frightening. Why couldn't God send human teachers, prophets, instead? God agreed, but with a warning. The people had better listen to those teachers, because they spoke in God's name.

That arrangement, though, had its own problems, for them and for us. How do I know this teacher is truly from God? And if the teacher is from God, are all parts of the teaching meant for me? We have the Church and scripture to help us with those questions, but still there are always a few loose ends.

That is the powerful significance of the sentence in today's Gospel: "The people were astonished at his teaching, for he taught them as one having authority and not as the scribes." The people knew that this Jesus was authentic--truly a teacher sent by God. They knew it by hearing him.

As you know, we have been gathering up our history which began with the chapel of Our Lady of Mt. Carmel in Aptos, the present site of Resurrection Church. The land for a chapel and burial ground was donated by Rafael Castro; the chapel was built in 1876 and demolished in 1930. If anyone has a photo of this chapel and is willing to share it, please call the parish office (475-8211) and leave a message for Sister Marie. Many thanks!
