“HOW IS IT YOU CAME IN HERE NOT PROPERLY DRESSED”

-MATTHEW 22:12

Dear Community of Saint Joseph's;

On September first we began a new fiscal year. At our liturgies this weekend, a member of our parish Finance Council, Mr. Dick Hartman will be presenting a review of our parish finances. On the back page of the bulletin we feature a general outline of our last year's funding in a graphic form. The graph indicates an overall perspective of how the finances have been distributed in our community. Please know that this information is provided with my gratitude for your generous donations over the last year.

As you may know the parish finances are overseen by a group of parishioners who compose the Finance Council. This council regularly meets and thoroughly reviews all the financial data in order to make recommendations regarding the management of our parish funds. I am extremely grateful for their expertise and insight regarding how best to support the ministries and facilities we are responsible for at Saint Joseph's. It is possible to attend Mass every Sunday and not ever question how the parish pays its bills and maintains it's fiscal responsibilities. Consequently it is vital for you as members of this parish family to be notified periodically of how our collections are providing for our parish life. When you donate to Saint Joseph's Catholic Community it provides us with electricity and water, we are able to pay staff salaries, support outreach efforts, print the bulletin, fund religious education, communicate by telephone and computer, maintain our grounds, continue the ongoing and extensive repairs of our church, hall and rectory— and most important fund our wide range of ministries.

At this moment in time it is impossible to turn on your television or listen to your radio without being bombarded with serious and troubling information regarding the state of our economy. I do not wish to add to those voices that cause distress, however, I do need to update you on the fact that one month into the new fiscal year we are already significantly behind in our parish donations. In this time of financial uncertainty there may be anxiety about spending money on anything that is not absolutely necessary, nevertheless if we continue to experience such a significant shortfall each week we will have to adapt our current budget which means that certain ministries and events will be discontinued.

I suspect we are all a bit apprehensive regarding our financial futures but please consider how important your stewardship is to the continued well-being of the parish. Also, remember how grateful I am for the many ways you have and continue to sustain Saint Joseph's Catholic Community. Your ongoing support enables us to continue our daily work of providing the most potent experience of God in the way we pray and teach and forgive and eat and anoint and change over and over again.

Thank you for always being such generous people. You are consistently abundant with your treasure, your smiles, your good will and your amazing faith. Thank you for sharing all that you have and all that you are with this incredible community of believers.

No Barriers to Gods Love

Saint Joseph's is seeking parents of children on the disability spectrum (special needs) that desire to see their children receive the sacrament of the Eucharist and/or confirmation. Also special education instructors willing to help us develop a program for special needs children such as these. Saint Joseph's has received a small grant from the Sisters of the Holy Family to help us with this project. For more information contact Sister Joan Derry at 475-8211, ext. 29.

Mary Helen's Corner

There is an ongoing need for items for the women in jail:

- Puzzles ●Holy cards (non-laminated)
 - Prayer cards ●Stickers (the women love these)
 - Makeup items and small makeup purses
 - Small combs and brushes ●Soaps, lotions, shampoo
- Many of these items help motivate the folks in jail to behave in a more cooperative way. The Directors thank you for providing the above. Please do not drop off other articles unless cleared by Mary Helen. Often things are left that I cannot use. God bless you all!

- When people look at me and my life, what "image" and "inscription" do they see?

New Altar Servers Needed!

An Altar Server is a minister, a person who serves the parish community. The server assists the priest to lead the people of God in prayer, and also helps the people in church to pray and worship. Through the sharing of their talents and by the graceful and reverent way they perform their tasks, servers contribute to the spirit of prayer. Serving is an act of faith and worship. Servers offer themselves, as Jesus did, for the benefit of others.

Are you called to serve?

St. Joseph's Community needs to bring more people into our Altar Server ministry.

We will provide training and continuing formation, and will gently initiate new servers into the ministry by pairing them with experienced servers who can serve as mentors.

The ministry is open to youth in **4th grade or higher** (teens are especially welcome!) *but it is not only for children!* **Adults** are also encouraged to join this ministry of service.

If you would like more information, please contact David Suddjian at the office. 475-8211 x16.

Reading The Writing On The Wall

As you walk through the tunnel in the church you'll notice quotes on the walls. Read what your fellow parishioners have to share about their parish experience. This exhibit will last a few weeks with quotes changing from time to time. These quotes are taken from interviews conducted as part of the Appreciative Inquiry process.

YARN NEEDED, EVENING KNITTING

Knitting Hands and Prayerful Hearts, St. Joseph's knitting group, has been knitting away. So much so that we have used up most of the yarn that has been generously donated. We are in the process of assembling several of the afghans for Jesus Mary and Joseph Home, but we are still knitting more sections for the remaining afghans. If you have extra yarn around

the house please place it in the basket in the vestibule of the church. There is a possibility of an Evening Knitting Group for those who cannot come during the day. If you would be interested in being part of such a group please call Lori 477-2951 or Robin 454-8705.
